Policy URL	https://catalog.arizona.edu/policy/program-graduation/general-education/substitutions			
Suggested updates	<ul style="list-style-type: none"> -Include the Office of General Education as approver for General Education course substitutions - Remove option for denying previously approved substitutions -Add reference to existing transfer credit policy regarding applicability of transfer credit for individual GE courses -Remove reference to previous GE tier system -Remove requirement that substitutions must be approved prior to completion of the course 			
Rationale for updates	<ul style="list-style-type: none"> -Having a central approver for GE course substitutions will create a consistent experience around what types of courses are approved -Students' approved substitutions will not uncomplete requirements when changing majors -Flexibility on timing of approval of substitutions will support student success and timely graduation
