Suggested updates	<ul style="list-style-type: none"> -Replace duplicative required policies/resources with URL to catalog resource page: https://catalog.arizona.edu/resources/catalog-resources/syllabus-policies -Update outdated/inactive URLs -Replace reference to OIA (Office of Instruction & Assessment) with UCATT (University Center for Assessment, Teaching & Technology) -Replace reference to D2L with more generic “learning management” -Adjust order of syllabus components to mirror updated course syllabus policy -Remove revision history from template 		
Rationale for updates	<ul style="list-style-type: none"> -Keep URLs, office names, and student-facing terminology up to date -By providing a link to policy information instead of policy text, the syllabus will need updating less frequently as policies change
