Before you start this process, you must have already completed the student consultation and the UA Peer Comparison Chart for this request, as you will need to submit this information and supporting documentation in the online form.

**Procedure:**

[access.arizona.edu](http://access.arizona.edu) > UAccess Student > Administrative Staff
  - a. Log in with your net Id
  - b. Once at the landing page you will have to navigate to the UA Prgm Fee and Diff Tuit Req page
    - **If you do not have access yet, you will not be able to see this page. To request access follow the *PFDT Requester Access Procedure* on our [website](#).**
  
2. Navigate to UA Prgm Fee and Diff Tuit Req page (open navigator)  
[Student Financials > Tuition and Fees > UA University Fees > UA Prgm Fee and Diff Tuit Req](#)
  - a. 2019-2020 is the first year we use the online workflow; therefore, the “find an existing value” tab does not produce any results. Click on “**Add a New Value**” tab.

#### i. Fee Details tab:

1. All fields marked with an asterisk\* are required.

**IMPORTANT:** If this is a Graduate degree program, you must use **GDEG** in the PROGRAM box and then select the PLAN.

\*College:  College of Social & Behav Sci

Department(s)

\*DeptID:  Sch of Geography & Development \*P

\*Program Fee Type:  Program Fee  Differential Tuition

Program/Plan(s)

#### ii. Narrative tab:

1. All boxes need to be completed (Purpose, Justification and Student Consultation).
2. Aside from answering the **Student Consultation** box, you can attach supporting documentation of the student consultation (sign in sheet, copy of referenda, copy of agenda, etc.). It is not required to attach this, but it helps for approval.
3. For the **Market Pricing** box, it is required to attach your completed UA Peer Comparison Chart.
4. Lastly, attach the ABOR form associated to your request: NEW or CHANGE to existing fee, see Appendix C for a list of the forms and visit our website for the actual [fillable PDF](#). If you do not attach this form at time of submission, the fees manager will contact you for submission of this form through email.
  - o **The online form is for UA record keeping, the ABOR PDF is for actual ABOR submission.**

**Note:** Both forms ask for the same information. With the difference, that the PDF table calculation is for ANNUAL revenue/expenditure, and the online application accountability tab calculates for PROGRAM length (2 years+). It is easier to copy/paste relatable information from one form to the other and complete both at the same time.

#### iii. Accountability tab:

1. The answers from prior tabs will pre-populate this tab.
2. Continue to answer all the boxes until the "Total Revenue minus Total Cost" line = \$0. You will not be able to submit this form until revenue and expense balances.

3. Add an explanation of other expenses if you answer anything other than \$0.

c. If you do not have the requester role, you will get an error message:

○ **To request access follow the PFDT Requester Access Procedure on our [website](#).**

d. Once the form is submitted, the Provost Office will review the request and contact you if further information is needed. The final request will be submitted for ABOR review in February/March. The board meets in April for Tuition & Fees Setting. Fee decision will be notified to the requester around May. For a diagram of the process see Appendix D.

- Michigan State and Texas-Austin include fees in the tuition as a flat rate. Michigan State reports their tuition as a flat rate with no fees. Texas-Austin reports only a tuition and fee total.
