GRAD_PH_PH Certificates

(1) Arizona Clinical & Translational Research (ACTR); ~~Global Health & Development (GHD); Public Health; Maternal & Child Health Epidemiology (MCH-Epi)~~

- GHD is an online program
- Public Health Grad Cert is an online program
- MCH-Epi is no longer offered

It may make sense to just take out the foot note and update the header of this file to Arizona Clinical & Translational Research Graduate Certificate (ACTR) and/or combine it with the Health Administration Certificate Sch pg.52
